

Jep Pads Ltd

Bespoke Jewellery Displays & Re-Covering Service Since 1979

Are you looking for an alternative to the mass produced, point of sale aids available today?
Jep Pads have been manufacturing cost effective, products and solutions for over 30 years. We know that appearance and presentation are essential when it comes to Jewellery displays and that is why we have developed an extensive range of Handmade, quality products to enhance your display.

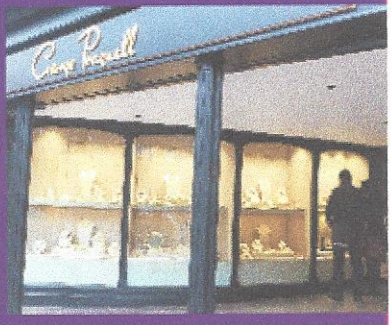

Our range includes Classic, Traditional, and Modern cutting edge designs. We welcome orders of any size and apply our high levels of customer service to all.

All of our products are manufactured and finished to excellent standards in our Manchester based workshop. Each item ordered will be handmade to your specification and this is why we are able to offer a personal service that can meet your exact requirements when it comes to the size, colour and style of your display. We offer you flexibility, along with our competitive prices.

Our pads are extremely durable, so you won't need to replace them every time you want to make a change to your display. We offer a re-covering service, allowing you to refresh or update your display with a new look at relatively low cost.

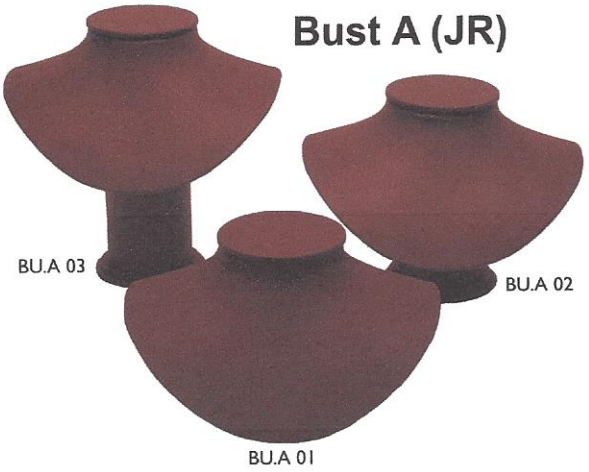

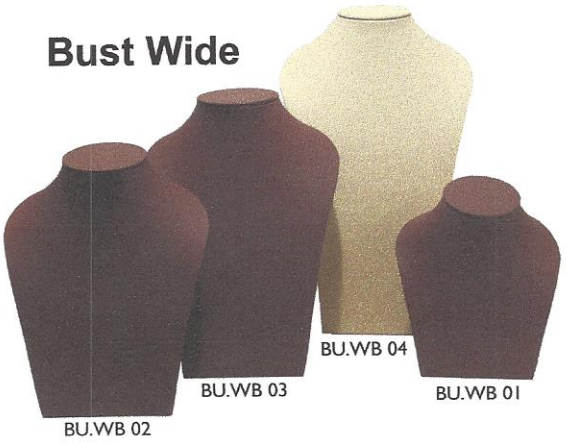

We are proud of the extensive range of colours and materials we are able to offer to create exactly the display you need.

If you can't find the product you are looking for in our catalogue then we would be happy to discuss your particular requirements – if you can specify it we can make it!
